

# **HOW WE WILL REACH OUR GOALS THIS YEAR-** **One school's students create their school's culture intentionally.**

K and 1

## **OUR GOAL FOR THE YEAR:**

### **WE WANT EVERYONE TO HAVE FRIENDS**

#### **How we will make this happen:**

- We will ask people to play with us.
- We will play with people.
- We will look and make sure no one is left out.
- When someone doesn't want to play we can ask them again another day.
- We can smile and say hello to people.

2 and 3

## **OUR GOAL FOR THE YEAR:**

### **We want no name calling or teasing here at the Bean School**

#### **How we will make this happen:**

- If your friend is calling people names, ask the friend nicely to stop
- If someone is being called names, help them get away.
- If people call you names, get away from them or ask for help.
- If you are thinking about calling someone a name, count to 10 or take a breath and think about what you say before you say it.

## **OUR GOALS FOR THE YEAR:**

### **WE WANT PEOPLE TO PLAY BY THE RULES AND BE FAIR**

#### **How we will make this happen:**

- It is easy to play by the rules if you are winning.
- It is hard to play by the rules if you are losing or if someone else cheats.
- We can remember that if you win by cheating you feel bad later.
- We can remember not to complain if we are losing but to try harder instead.

#### **About schoolwork:**

### **WHEN WORK IS HARD WE WANT TO REMEMBER TO WORK HARDER INSTEAD OF GIVING UP.**

#### **How we will make this happen:**

- We can remember that we feel bad about ourselves if we give up right away.
- When something is hard we can keep trying.
- We know that most of the time if we keep trying we will be able to do it.
- And even if we can't do it we will know we tried.
- And we will remember that if you copy someone else's work and call it your own you feel bad later.

Grade 5:

**OUR GOALS FOR THE YEAR:**

**WE DO NOT WANT TO HAVE A POPULAR GROUP, WITH OTHER PEOPLE LEFT OUT.**

**How we will make this happen:**

- When someone tries to start a popular group, don't go along with them.
- Play with everyone; include people who are left out.
- Stick up for people if someone is leaving them out.
- If someone is being mean, ask them to stop in a nice way.
- Help people get away if they are being teased.
- Don't give people too much power by going along with them if they say: "I will only be your friend if you..." If they do that say "No thanks."

About schoolwork:

**WHEN WORK IS HARD WE WANT TO REMEMBER TO WORK HARDER INSTEAD OF GIVING UP.**

**How we will make this happen:**

We will remember that we feel proud when we try hard on hard schoolwork- and that we don't feel proud of ourselves when we give up.
